## Carnival Time!

That time of year is here! Its carnival time. This year it starts on May 3 and ends on May 11th. That's 9 day of hard work for all of us. One thing is certain, the more help we have each night the lighter the load for everyone. So come on out and smell the pizza and funnel cakes, listen to the kids scream as they ride the rides and get to know your fellow Lions better. You see when you work side by side you get to know each other better. The better relationship we have with each other will lead us to a stronger club. A stronger club will provide more service and help to the Jarrettsville Community and beyond! See you at the carnival!

## 74 YEARS OF LIONISM!

A Lions Club is born on its first Charter Night. Jarrettsville Lions Club was born in May of 1949, 75 years ago. Our original charter hags in the basement of the Jarrettsville Methodist Church where we held our bimonthly meetings for over 70 years. There were 39 members who bonded together and committed to forming the Jarrettsville Lions Club. We now have over 65 members, and we thank the 39 original members for their foresight and commitment to serve.

Words to Remember: When you are over the hill, you tend to pick up speed!
